

Committee F12 on  
Security Systems and Equipment

# Award of Excellence

presented to

**Robert W. Loughlin**

The Committee F12 Award of Excellence recognizes individuals in the security industry who have been influential in their efforts to develop and apply ASTM standards in this industry. In recognition of your meritorious contributions to the cause of voluntary standardization, and your outstanding service to Committee F12 on Security Systems and Equipment, the Officers and Members express herewith their deep appreciation for your efforts and your accomplishments.

**October 2004**

CHAIRMAN

SECRETARY
